

"K" LINE AMERICA, INC.

4991 Lake Brook Dr, Suite 200
Glen Allen, VA 23060
Fax: 804-762-6591

March 27, 2026

Dear valued business partner,

As a validated C-TPAT member, "K" Line is pleased to provide the following information in regard to security:

1. "K" Line America Inc. (KAM) is a C-TPAT member in good standing with U.S. Customs and Border Protection (CBP).
2. KAM was accepted into C-TPAT in November 2002.
3. CBP completed validation of KAM in July 2004.
4. CBP completed the first re-validation of KAM in June 2007.
5. CBP completed the second re-validation of KAM in September 2009.
6. CBP completed the third re-validation on KAM in June 2013.
7. CBP completed the fourth re-validation on KAM in July 2019.
8. CBP completed the fifth re-validation on KAM in March 2024.

The CBP is quoted as stating "...we must not compromise our security process by providing detailed information to customers or other entities seeking background. Importers or other customers seeking information for their C-TPAT applications need only provide the carrier's name and whether the carrier participates in the C-TPAT program or not." Therefore, "K" Line supports CBP's assertions, and cannot, as a matter of policy make public the security profile on file with CBP, and will refrain from responding to security questionnaires or documents as prepared by other entities.

Please send us a monitoring request in the C-TPAT Web-Portal. We trust that this and the above information will satisfy your validation requirements.

If you have any further questions, please feel free to contact:
